The many benefits of a no-fuss, low-tech payroll system! From the Business Times, a review of "PaysWell Payroll" by PricewaterhouseCoopers. Singapore's first government agency with a large workforce, Ministry of Manpower, was under huge pressure when it decided to make a transition to a new payroll system. Its aim was to make payroll information available to them in a timely fashion. With a large workforce it had to be cost effective and manageable for it to work on its own without any help from the company. PwC's latest payroll system, PaysWell, met these expectations. PaysWell, a Web-based application, has many features that offer the MOM a way to manage its payrolls efficiently, including features that have not been
